Dear Stan Pickthall,

Park'N Fly recently revised its Discount Savings program; an adjustment will be made to your Park'N Fly corporate discount rates, effective June 1st, 2017. The adjustment will vary depending on the market. Attached are the new preferred rates that have been extended to your organization.

These rates continue to offer your organization superior savings over our regular posted rates. The savings will vary depending on the market. You can also visit www.parknfly.ca and enter your corporate discount code in the appropriate field to quantify the savings your organization will enjoy.

Park'N Fly is Canada's only national airport parking provider, now operating in 7 markets: Vancouver, Edmonton, Winnipeg, Toronto, Ottawa, Montreal, and Halifax. Your travelers can continue to choose from our two service options*: The 'Drop'N Go' Valet parking experience, members provide us the keys and we do the rest. We park. You fly; another option is the Self Park experience, members select their own perfect parking spot, and the shuttle bus speeds them to the airport.

In addition, our corporate travelers continue to enjoy:

- Aeroplan Miles on every stay**
- Free Parking, when joining Park'N Fly Rewards Program
- Convenient 24/7 off-airport parking facilities
- Quick, computerized "Express Check Out stations"
- Optional detailing & oil change services*

The associated savings, choice and added value options continues to make Park'N Fly the preferred destination for many travelers.

Thank you for your continued support. If you require any additional information please contact your local sales associate.

Regards,
Park'N Fly Canada
